SOUTHWELL NEWSLETTER

From the Headmaster

Dear Parents, caregivers and members of our community

Thank you to the many parents who supported our students and staff on camp week last week and this week. Parent support allows great adult-student ratios to occur and relationships to develop between our students, teachers and parents through the various activities and time spent together.

Thank you to the staff who pre planned, organised, led activities and responded to the many thousands of situations that presented themselves over the camp period. By moving outside of our social and physical comfort zones we grow.

Yours sincerely Jason Speedy

FROM THE LIBRARY

OLIVER-ORBIT

Over the next few weeks and months, most Year 3-8 students will be taught how to use the Library System (known to us as Oliver-Orbit) for searching for books in the library, and also for information.

Students can access Encyclopedia Britannica, World Book Online, National Geographic, Gale Primary database and Gale Middle database via a Super Search on Oliver-Orbit. These are kid-friendly sources of information and we encourage them to use these before heading to Google.

If your child wants to use the Super Search function whilst at home, they will need to log in as they aren't within the Southwell domain. In order to access the username and password, they need to click [HERE](#) whilst logged in to their own Southwell account. (This page is only accessible to people with an @southwell.school.nz email address and we have to do this as the databases are free for students to use, but not the general public).

GRANDPARENTS' AND FRIENDS' DAY

Grandparents and Friends Day will be held on 5 April 2024.

We would love for you to visit the library while at School on this day.

FROM NURSEEE

"NUT" ALLERGIES AND ANPHYLAXIS

As you are aware Southwell's guidelines request that no "nut" products are sent to school due to a number of student's severe allergy to some form of "nut". Please see the following information from Allergy New Zealand with regard to the definition of a tree nut and peanuts, as these are the guidelines we follow.

Please click [HERE](#) for Fast Facts on Tree Nut Allergy.

This is followed by a description: 'This is a fun yet educational week for students aged 5 - 15 years.
